CLUB RESPONSE POSITIVE TO HOST SIX-STATE RALLY

Response by members of the club to my letter announcing our invitation to be a host club at the six-state rally next fall has been quite positive. To this point, six member couples have indicated they would be willing to assist with the rally.

As more of you determine that you will be free and willing to help be sure to let me know. I will need a final count by the end of January.

Have a Merry Christmas and Happy New Year. I look forward to hearing from you.

News from our Members

Jan and Ben Bendixon write: We departed home in Coralville on 14 November, spent a couple of days with Jan's daughter and family in Elkhorn, NE. Spent the night of the 16th in the only RV Park that was open in Dodge City, KS (Whoopee!). It seemed second rate, but at least we had a place. Then we spent 3 days at Kirtland AFB in Albuquerque. Left one day early because of forecast windy conditions; made it to Davis-Monthan AFB in Tucson OK; Departed Tucson on 1 December. We are now established at the Navy's Admiral Baker RV facility in San Diego. Expect to be here until sometime between 2 and 10 January when we will head for Ft. Huachuca at Sierra Vista, AZ until 23 February. When we go back to Iowa is entirely dependent on the weather forecast, but do plan some time in Albuquerque on the way home to get a couple of up-to-date TV sets installed.

From Marvin and Bonnie Wetchinsky: Bonnie and I have sold our National Tradewinds and are now out of the traveling mode for awhile. Due to Bonnie's health problems and the need to be at home base we will not be able to travel for awhile and then we will look into buying another mode of camping.

We have enjoyed you all and Wish You All a Very Merry Christmas.

From the Beamers: Our big news is our motor home is almost fixed. We took it back from where the repairs were being done after the break-in and vandalism last Feb, as they were dragging their feet on getting the repairs done. We're still vacuuming glass from the co-pilot's seat, carpet all around the front end. That is even after they had vacuumed, supposedly. We had to put off our move back into the motor home for 7 months due to the damage but that move is taking place right now. Milt doesn't like living in the apartment he thought was going to be so nice. Feels like no one is friendly here, ignore you when you wave and don't even know who lives around us! He likes living in an RV park where everybody waves, talks, walks about. It doesn't matter too much to me as I go to work and sleep and don't notice the lack of friendliness as much.

The movers came yesterday to put most things back into storage and our two children are taking some things.

We are putting May 15-19, 2011 on our calendar for the casino rally. Sounds like fun!

Merry Christmas & Happy New Year to all.
Milt & Alice Beamer
